

## DEMAND FOR ACREAGE

**MANY BUYERS FROM THE EAST ARE SEEKING SMALL TRACTS FOR HOMES**

Tupper Robinson, the real estate broker, says the inquiry for lots in Glendale is increasing and that there is a big call for small acreage, particularly from eastern buyers who have come to California to live. Last week he sold an acre and a half on Windsor and Verdugo, improved with a residence, for \$5,250. During the past week he has in association with another operator sold about fifty acres in the San Fernando Valley in small lots at an average of \$400 an acre. A Kansas City man bought 22½ acres, another Easterner bought 12½ acres. Men and women from the east who have retired from business and want homes in California, for the most part want two or three acres.

The improvement of Sycamore Canyon Road, he declares, will be a great boost for the eastern portion of the city and for all Glendale for that matter.

Like many others in Glendale, he laments the lack of improved property that is up-to-date and the loss of many a possible customer thereby. He declares that in spite of the high cost of building, it is still possible to buy and build for investment and sell at a profit. Lots are still to be had in good residence sections for cash, at \$600 to \$800 which, if improved with a new house, would sell for a figure which would afford a handsome margin of profit on the lot. Now, with new comers flocking to the city and begging for homes, is Glendale's opportunity if only she will wake up to the fact and get busy.

## \* YELLOW LUNCHEON

In honor of her guest, Mrs. David McNeill of Chicago, who, with her little son, has been a guest in the Hearnshaw home for the past month, Mrs. J. F. Hearnshaw of 358 West Lomita Avenue is today (Friday) entertaining with a luncheon at which covers will be laid for Mesdames Charles H. Sanders, N. Violi, George Reuter, Bert Ward, R. Angelica, S. Augustine, William Farlander, A. S. Chase, David McNeill and the hostess. A yellow color scheme will be carried out with California poppies.

## DEATH OF CAROLINE L. BAKER

Caroline L. Baker, mother of Mrs. R. D. Hall and Samuel S. Baker, of this city, and of Mrs. Louie A. Eliot, of Kansas, passed away at the Hall residence, 704 East Windsor Road, Thursday, April 10, 1919, at the age of 88 years.

Deceased had been a resident of Glendale for eight years and will be mourned by a large circle of friends. She was a member of the Episcopal Church.

Funeral services will be held in the parlors of the Jewel City Undertaking Company Saturday afternoon at 2 o'clock. Rev. Cornell of Pasadena will conduct them and interment will be at Rosedale Cemetery.

## INAUGURAL BALL

The Glendale Elks' Club will hold its annual inaugural ball tomorrow (Saturday) evening. It will be limited to Elks and their ladies and will be one of the most important social events on the club's calendar.

## VICTORY CAMPAIGN

**DR. FRENCH E. OLIVER'S BIBLE STUDY ON "FAITH" ONE OF THE FINEST HEARD IN GLENDAL**

The 3:00 o'clock afternoon Bible Study meetings held by Dr. Oliver in the Presbyterian Church are not nearly as largely attended as they would be if the people knew what they are missing, although the number of people in the audience has about doubled every day.

Yesterday he gave an address on the two kinds of Faith, "effectual faith" and "dead faith." Dr. Oliver's talks are intensely interesting as well as practical, and, above all, deep and spiritual. His sudden bursts of humor keep everybody awake and keenly alert, and never fail to perfectly illustrate the point he is making.

The Tropic Presbyterian Church is joining in this campaign and sends goodly numbers to the meetings each day, both afternoon and evening.

Only one more week of these meetings and the days of this particular opportunity will have passed, and it is an unusual opportunity. Don't let it go by unused.

## TRUSTEES' MEETING

**WOODBERRY RESIGNS AS PRESIDENT OF BOARD—MUHLEMAN APPOINTED**

Regular meeting of the Board of Trustees of the City of Glendale, April 10, 1919. The Board assembled at 8:10 p. m. Present at roll call Trustees Jackson, Muhleman, Henry, Woodberry. Absent, Trustee Shaw. Minutes of the last regular meeting were read and correction ordered to be made on page 119 inserting words after bids for wire, "and material." The minutes were approved.

Rev. McConnell addressed the Board in reference to the proposed agreement between the city and residents of West Broadway in reference to supplying that section with water. He called attention to certain features of the arrangement proposed requesting that some changes be made.—On motion of Trustee Henry, it was ordered that the contract be modified as far as practicable so as to meet the objections of the water owners and consumers of that section.

The hearing of the application of Mr. C. A. Chambers of the Burbank Transfer Company, being set for this date, was brought up at this time. Mr. Chambers appeared before the Board in reference to his application for permit to operate motor trucks over the streets of the City of Glendale. On motion of Trustee Jackson, the application was granted.

Mr. W. F. Tower appeared before the Board requesting information as to what is being done in regard to acquirement by the city of a Municipal Gas Plant. Chairman stated in reply that the matter had been considered informally by the trustees, but that on account of the present high prices of material and the fact that there are no funds provided in the fiscal year's budget for the expenditure required for preliminary work, further action would probably be deferred until the end of the present fiscal year, June 30, 1919.

Mr. A. H. Morton presented a written application for permission to establish a gas supply station on the south side of Broadway between Belmont and Cedar Streets. On motion of Trustee Henry, the application was granted.

A communication was read from Mr. C. F. Hess, calling attention to the condition of the sidewalk in front of his property, 816 South Glendale Avenue. On motion of Trustee Henry, the matter was referred to the city manager to investigate and report.

A communication was read from Mr. C. L. Thedaker, agent of the Southern Pacific Railway Company in Glendale, enclosing statement and asking to be advised as to the status of the bill of \$779.97 against the former city of Tropic for removal and remodeling of the Tropic tower. The communication was ordered to be filed, the matter having been referred to the city attorney.

A communication was read from the city tax collector, accompanied (Continued on Page 6)

## BIRTHDAY CELEBRATION

H. L. Miller, the real estate man, entertained a number of friends and relatives at Casa Verdugo last evening in honor of his birthday, which from his feeling in general, was about his 25th, although he was not

under oath when he gave the number of years. The dinner was elaborate and beautifully served. The party later motored to the city and enjoyed an evening at the Orpheum. Mr. Miller received many beautiful gifts and flowers.

## DEATH OF BARTON ELLISON

Barton Ellison, of 323 Cerritos avenue, passed away Thursday afternoon, April 10, 1919, at 2:55 o'clock, after quite a prolonged illness. For 35 years he had been a resident of California and for seven years had lived in Glendale. He leaves a widow, Nancy Ellison, and a daughter, Mrs. Iva A. Roberson. Funeral services will be held at the grave at Forest Lawn Memorial Park at 3 o'clock Saturday afternoon which will be in charge of Unity Lodge, F. and A. M. Deceased was a member of Traver Lodge, Kingsburg, Calif.

## 160TH INFANTRY IN CALIFORNIA

**CALIFORNIA'S OLD "FIGHTING SEVENTH" WELCOMED BY SAN BERNARDINO WITH REJOICING**

(Special Service to Glendale Evening News)

San Bernardino, April 11.—San Bernardino today welcomed back to California the 160th Infantry—Southern California's old "Fighting Seventh."

By early afternoon the full regiment of 758 men, who are coming back from France to be demobilized at Camp Kearny, were in San Bernardino as the guests of the city.

It was about 11 o'clock this morning when a roaring whistle blast announced that the first section of the regiment's train was in sight. The thousands gathered at the station set up a mighty cheer, whistles over the town began to blow, women wept and gray-haired fathers stuck the wrong end of their cigars in their mouths in that moment of overpowering pride.

Brigadier General W. O. Johnson and staff, representing Major General Strong, commander of the 40th Division, welcomed the men on behalf of the army.

When the last man had pushed his way from the train through an embankment of flowers standing high along the station platform, the march started to Pioneer Park, where the official welcome is being said this afternoon.

Tonight the regiment will leave for Los Angeles, where tomorrow will be spent, and it will then proceed to Camp Kearny for demobilization. The hour of leaving for Los Angeles still is uncertain.

## MORE WAGES TO RAILWAY MEN

**INCREASES GRANTED BY DIRECTOR GENERAL HINES AFFECTING 400,000 MEN—ARE RETRO-ACTIVE**

(Special Service to Glendale Evening News)

Washington, April 11.—Director General of Railways Hines today granted the trainmen and engine men on all nationalized railway lines wage increases which affect 400,000 men and are retro-active from January 1, 1919. He directed that employees' claims for extra overtime be left to the board for decision.

The increase amounts to from \$15 to \$53 per month for men paid on a monthly basis and to from \$1.30 to \$1.53 per day for men paid on a daily basis over the schedule paid in 1917. Officials could not estimate definitely what the increases would total.

Hines said the increases were granted to overcome injustices wrought by the general advance granted railway workers in May, 1918.

The claims of dining and sleeping car employees for increases are still pending. A decision is expected soon.

## SITUATION IN BERLIN IS TENSE

**SOCIALIST BAVARIAN GOVERNMENT TURNS ON REVOLUTIONISTS AND HAS EVEN CHANCE OF WINNING OUT**

(Special Service to Glendale Evening News)

Berlin, April 11.—Forces of the deposed Socialist Bavarian government have captured Wurzburg and entirely surrounded Munich. After retreating to Nuremberg from Brandenburg, Premier Hoffman of the Socialist government gathered a formidable anti-soviet army and turned on the revolutionists. The majority of the soviet troops are reported to have surrendered when Wurzburg fell.

The Scheideman government is increasingly optimistic over the Bavarian situation. It is believed the Socialists have an even chance to return to power.

The general strike in the Saxony and Ruhr district is reported growing. The situation in Berlin is tense.

## CONFIRMATION OF BOLSHEVIK PLOT

**CONSPIRACY TO SEIZE BERLIN AND BRING WORLD REVOLUTION BY PROPAGANDA AMONG SOLDIERS**

(Special Service to Glendale Evening News)

Paris, April 11.—It was announced today that confirmation of a Bolshevik plot to seize Berlin and start a world-wide proletarian revolution has been received in official circles. Under the plan the German Spartacans, with the possible consent of the present German government, will assume the administrative power in Germany following the conclusion of the Versailles conference. The Spartacans will then refuse to sign the peace treaty, will fold their arms and say: "Do what you like. We will do nothing."

The Bolsheviks believe the Allies will then occupy Central Europe and that such action will arouse the people of the Allied nations so that unrest, coupled with propaganda among Allied soldiers, will lead to a world-wide revolution.

It is made clear here today that Germany is going to be forced to pay for frightfulness. The peace treaty will not require the trial of the kaiser before an international tribunal, but will leave the way open for any nation to extradite persons responsible for war crimes and bring them to trial on local indictments.

## BAVARIA'S INDEPENDENCE RECOGNIZED

(Special Service to Glendale Evening News)

Basle, Switzerland, April 11.—Dispatches from Germany received today say the Allies have notified Berlin that Bavaria will not be included in the peace treaty. This amounts to a practical recognition of Bavaria's independence.

## MUNICIPAL NEWS

**BROADWAY IMPROVEMENT PROGRESSING—SYCAMORE CANYON ROAD TO BE EXTENDED**

The Broadway improvement is progressing very satisfactorily. By tonight the pavement will all be laid from the Broadway School west to Glendale avenue. It will probably take about three weeks more to finish the pavement.

The Glendale-Montrose Railroad has relocated its tracks from the side to the center of Wilson Ave. between Eagle Rock Road and Verdugo Road. When the entire change is completed, Wilson Ave. will be reeled and put in good condition at the expense of the railroad company, though the city will undoubtedly do the work.

The preliminary step has been taken in the carrying out of the petition for the extension of Sycamore Canyon Road which was presented to and accepted by the city trustees, a week ago. That preliminary is the changing of the name of portions of Cypress and Palmer Aves., which will have to be made a part of the extension to "Sycamore Canyon Road."

The ordinance providing for the change of names was read at the session following the open meeting and had its second reading and adoption last night. Until it is in effect, which will not be until 30 days after its first publication no further steps can be taken by the Board. In the meantime, proceedings for the opening and widening will be prepared.

A petition was presented Thursday evening, signed by most of the residents of Elk avenue west from Central to San Fernando Road, for the improvement of that portion of the street.

Money from assessments for the opening and widening of Sycamore Canyon Road has all been paid in, awards are being settled for, and the city expects to have a final decree entered within ten days. The City Engineer has been instructed to prepare a grade ordinance which will probably be ready for the Board's consideration next Thursday evening.

## FRANK MOTSCH RETIRES

Frank Motsch, after a proprietorship in the Park Avenue Grocery for six years, has sold to A. V. Marcellus, who was in a general store in Regan, S. D., for 12 years and in the same business in Wilton, near there, for six years. Mr. Marcellus has a wife and two children, and his mother lives with him also. They have been out here four months, living in Hollywood, but will move to Glendale as soon as the lease on the property there occupied expires.

Frank L. Muhleman, Mayor.

Frank L. Muhleman, who has served the city as trustee for the past three years, was elected chairman of the board last evening upon the resignation of G. B. Woodberry. Mr. Muhleman has been a resident of Glendale for thirteen years or more, and has contributed in many ways to the welfare of the city, as he is a public-spirited man who has studied civic problems. He is a native of the Buckeye State, attended the Baldwin-Wallace College at Berea, Ohio, and was graduated from the McDonald Law School in Cincinnati. His professional life began in Newport, Ky., and was continued in Parkersburg, W. Va., whence he moved to California in 1905. Since that time he has lived in this city and for a year was the city attorney of the town. He drafted Glendale's city charter, has been a consistent advocate of public ownership of utilities, and has favored the consolidation of territory to develop a strong municipality. His quality as an official has been demonstrated in office.

Mr. Woodberry continues to be a member of the board of trustees.

## A DESIRABLE LAW

**IT IS APPROVED AND WILL BE PUSHED BY ASSEMBLYMAN WHITE**

City officials are in receipt of a copy of Assembly Bill No. 629 recently introduced in the legislature by Assemblyman Locke, who is also the Secretary of the League of California Municipalities. It was sent to them by our own representative, Assemblyman Jno. Robert White, Jr., who approves it and has agreed to do everything possible to secure its passage. It provides for a new law to be called "The Local Improvement Act of 1919," which will enable municipalities possessing road making machinery to place bids for the building of roads within their own corporate limits in competition with private contractors and in the event that the municipal bid is the lowest, to construct the road. Under present laws a municipality can repair and maintain its streets, but cannot lay its pavements no matter how well equipped it may be. The job must be given to some private contractor or corporation.

It also offers an excellent plan for financing street construction whereby bonds may be issued against an entire assessment district in place of an individual bond against each parcel of land in the district as now provided, the payment of principal and interest on such bonds to be met at the time and in the same manner that regular city taxes are paid. Under the present system the assessment against a man's property represented by a street bond may be as low as \$1.50 or \$2. The owner may fail to receive notices and the delinquent bond fall into the hands of some sharper on the lookout for such securities. It constitutes a cloud on the title and the holder of the bond can so manipulate affairs as to run the cost of redemption up to \$25 or \$30. The provision mentioned which would do away with the individual bond would also do away with this abuse by tax sharks.

## FOR CHICAGO GUEST

**MRS. M. H. RODGERS OF COLUMBUS AVE. ENTERTAINS FOR MRS. OTTO BETKE**

Mrs. M. H. Rodgers of 612 South Columbus avenue entertained Thursday afternoon in honor of her house guest, Mrs. Otto Betke, of Chicago, who has been spending the past two months here and is planning to leave the latter part of April. The house was beautifully decorated with wisteria, bridal wreath and the garden flowers now in season, and refreshments of chicken salad, sandwiches, coffee and cake were served at the close of a social afternoon. Ladies who enjoyed Mrs. Rodgers' hospitality were: Mrs. Otto Betke, Mrs. J. F. Hearnshaw, Mrs. Violi, Mrs. A. S. Chase, Miss Minnie Scott of Columbus, Ohio, guest of Mrs. Chase, Mrs. McNeill of Chicago, house guest of Mrs. Hearnshaw, Mrs. Charles Sanders, Mrs. Richard Gilbert of Glendale, Mrs. Harold Gilbert of Los Angeles, Miss Sadie Rodgers of Los Angeles, Mrs. Belle Kizer, also of Los Angeles, Mesdames Minnie Patterson, George Lyons, William Farlander, O. E. Von Oven, J. J. Fraser, her mother Mrs. Wallace who is spending the winter here, Mrs. P. O. Lucas, Mrs. Stephen Packer, Mrs. Noonamaker.

## A GOOD EXAMPLE

**A. H. CHAPMAN IMPROVES RESIDENCE PROPERTY AT 135 SOUTH LOUISE STREET**

A. H. Chapman, of 435 West Wilson avenue, is setting a very good example by improving a house he owns at 135 South Louise street. A new coat of green paint adorns the roof and he is now engaged in applying the first coats of gray paint to the walls. He plans to put in hardwood floors and generally "dollar up" the premises. He figures it will cost him about \$1,000 to do what he wants to accomplish with it, but he says he has learned by experience it pays and that he can sell the property and get it all back and more, too, and it is quite possible he will want to live there himself as it will be more convenient to the school his little daughter will attend next year. He made similar improvements in a house he owned on the same street near the Christian Church and promptly sold the property. He expresses the opinion it would pay all landlords who have property which is slow to sell or rent to modernize it and freshen with paint.

## VICTORY LOAN EXHIBIT TRAIN TO VISIT CITIES

The Victory Loan exhibit train, composed of six cars, will carry thousands of exhibits, including a German Albatross, six-cylinder aeroplane, the first to be exhibited in the west and one that was shot down in Flanders; a Whippet tank, one that was used by General Pershing in breaking the Hun lines, and also four German prisoners. These prisoners are complete in uniform. On account of not being able to get Germans to come to this country, the uniforms will be filled with true-to-life wax figures. The train will be in Los Angeles April 16, from 2:15 p. m. to 6 p. m.

## CALIFORNIA NEWS

SAN DIEGO, April 10.—Several hundred Rotarians from San Francisco, Oakland, Sacramento and Los Angeles began assembling here today to attend the annual conference of the Twenty-third District. No politics, good fellowship and clean business are the characteristic principles of Rotary.

WATSONVILLE, April 11.—The "League of Nations" will be thoroughly expounded to assembled club women attending the second day's session of the annual convention of the San Francisco District, California Federation of Women's Clubs, this afternoon, when Professor Edward Krehbiel of Stanford University will speak on that timely subject. Dr. Mariana Bertola, president, will preside. Tonight an illustrated lecture will be delivered by Prof. H. S. Holway of the University of California on "The Formation of California Bay."

SAN DIEGO, April 11.—The registration of outside clubs for attendance to the annual conference to be held in San Diego today and tomorrow by the Rotary Clubs of California was today's principal business. Aside from the formal conference, which was opened by Dean MacCormack of the Los Angeles Rotary Club, and conference singing, addresses were delivered by Adjutant General J. J. Borree of Sacramento and other speakers.

## TRYING TO DISCREDIT PROHIBITION LEGISLATION

There is an insidious propaganda abroad in the land to discredit the prohibition amendment and lead people to believe it is unpopular and impracticable. It is the more dangerous from the fact that it is conducted in the columns of many high-class daily newspapers that have proved their loyalty all through the war and thus acquired the confidence of the people. Such papers publish personal communications from "personal liberty" advocates (personal liberty meaning in their view the right of a man to imbibe liquor to excess and beat up wife and children) and out-and-out champions of vice; opinions of army officers wedded to the free drinking of former days in the army, when the majority of officers drank high-priced wines and liquors and many a promising boy's career was blasted by association with hardened old soaks in the ranks; and statements that a vast majority of the fresh-faced boys, who went from homes of sobriety and cleanness, were in favor of unlimited manufacture and sale of booze. The fact that 85 per cent of the territory of the United States was dry when the prohibition amendment was ratified is sufficient evidence of the prevalence of the sentiment for clean homes and clean bodies. It was only the persistent fraudulent propaganda of the liquor interests in large cities, chiefly among people of foreign extractions, that hindered national prohibition for so long. A part of this propaganda is the publishing of alleged statements of prominent army officers advocating the restoration of the vile canteen system in the regular army, every canteen being an open saloon. When it is remembered that the demoralization of enlisted men by the canteen was so great and widespread that a pro-liquor Congress was compelled by public opinion to abolish it, the insincerity of such a claim is apparent. These newspaper propagandists lend apparent sincerity to their efforts by occasional publication, in a grudging way, or articles, chiefly of an editorial nature, commending prohibition measures and giving the results of such enactments. An instance of this was a recent publication in one of these quasi-prohibition but secretly pro-liquor dailies of a statement as to the result of prohibition in a southern city, where the jail was emptied and kept empty when liquor sales were ended. Two facts are plainly evident. First, that public opinion in this great land of ours is overwhelmingly against the further debauching of men and women and wronging of children by the liquor evil; second, that there is a small but persistent and determined minority working night and day with every devilish method known to degraded and debauched human nature to again foist upon a suffering people this body-wrecking, soul-damning traffic. But the great heart of the American people is against them. An aroused public is guarding the home defenses and the watchword is "They shall not pass!"

## JAPANESE SOCIALISTS GROW IN INFLUENCE

Tokyo, March 26.—(By Mail.)—Japanese Socialists are gradually gaining influence in different sections of the country, according to reports of the Nichi Nichi. A propaganda movement is expected to begin soon.

Unlike American and foreign Socialists, the Japanese State Socialist party, or Kokkashakai-to, will attempt to get their real object presented to Mr. Hara, the premier; Mr. Tokonami, the home minister; Mr. Oka, superintendent of the police, and several other distinguished men prominent in military, civil and political life. Their entire platform will then be submitted to a military member of the Imperial Family for approval.

The movement, according to its leaders, will be based on the present situation of Japan's constitution and political situation. No radical movements will be tolerated. The principal figures of the socialization of Japan are Messrs. M. Takabatake, T. Endo, T. Kitahara, S. Ozaki and K. Mogi.

Despite the apparent serenity of the socialization, local authorities were alarmed to hear of the plans already under way.

"We have learned of the matter only recently," one official said, "but have already seen Mr. T. Kitahara and other promoters. If they really mean to start a proper social movement with the interests of the state as the chief aim, without subscribing to any dangerous principles, we may permit the movement and allow them to issue a journal and organize a party. If they include anarchistic or other dangerous elements, such as Sakae Osugi and his followers, their movements must, of course, be properly controlled."

And now they do say that positive proof is at hand that electric-lighted laying houses for hens increase egg production. A professor at Cornell University has made tests extending over a full year. One hundred hens were kept in coops lighted until 9 o'clock every night and another 100 hens on regular daylight schedule. The lighted hens laid 140 dozen more eggs in the year than did the regulars. With eggs averaging 50 cents a dozen, that means \$70 difference in favor of electricity. The poultryman must figure out for himself, however, if the extra income pays for the light bill and the additional work and feed.

## Fakir Magic Fools the Eye

It's amusing to see a fakir take a pole and line, and hook a fish out of the air; but you don't buy that kind of fish.

Yet some buy tires with just as much sleight of hand in them, tires which look all right, and act all wrong.

To safeguard against mere appearances, look for the Goodrich name and trade-mark on tires.

Goodrich Tires with their burly, full-rounded bodies, and thick SAFETY TREADS, extra wide to fortify the sidewall against rut grinding

Look the sturdy, lasting tires they are.

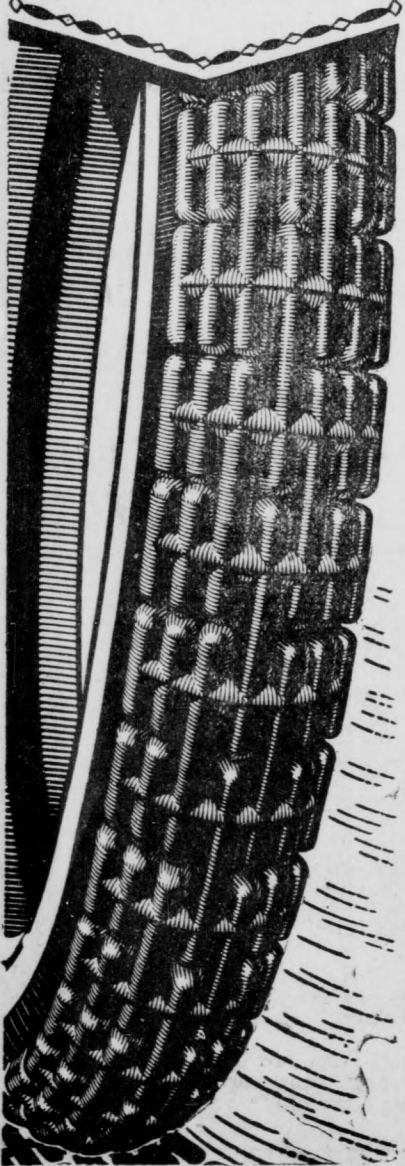

Goodrich's name and trade-mark on them stand responsible for their service in action.

They guarantee those tires will return full value for your money by proving their service value to you on your car, on the road.

## BAN SECTARIANISM

FATHER O'NEILL ASKS THAT  
LAW BE COMPLIED WITH  
IN SCHOOLS

The following communications submitted by Rev. J. S. O'Neill are self-explanatory:

120 West Laurel St.,  
Glendale, Cal.,  
April 9, 1919.

My Dear Father O'Neill:

I have learned from children of the neighborhood, that a Miss Douglas, teacher of the Seventh Grade of the Public School in Tropic, has at various times made most derogatory and untrue remarks about the Roman Catholic Church. Also, while discussing the present political issue of the Irish Nation, made the statement that the inhabitants of the north of Ireland were loyal, educated, prosperous people, and that they were all Protestants, while those of the south of Ireland were uneducated, poverty-stricken Catholics. Last, but not least, were Bolsheviki—and to their religious belief was credited the cause of the present political unrest, drawing the conclusion therefore that undesirability as citizens is due to Catholicity. I am also told that more recently she informed her class that Roman Catholics are idol worshippers.

I am under the impression that in public schools the discussion of religions is forbidden. But if Miss Douglas cannot content herself with the teachings of her text books, I suggest, at least, that she familiarize herself with alien subjects, so as to be able to correctly instruct the impressionable minds of the children entrusted to her.

Cannot this matter be brought to the attention of proper authority, so that in the future such unlawful practices on the part of prejudiced, ill-informed teachers be discontinued?

Most sincerely yours,  
CHARLOTTE RYAN KING.  
(Mrs. Joseph Choate King).

Glendale, California,  
April 10, 1919.

Hon. Board of Grammar School Trustees of Glendale, California: Received a letter of which I submit a sworn and true copy.

The state law of California states: "That there shall be no sectarian teaching in the public schools." The law further reads: "That a transgression of this law carries with it a forfeiture of salary."

A teacher would not dare ridicule the Methodist Episcopal Church in the school room, why, then, is the oldest Christian Church—the Catholic Church that for nineteen hundred years has preached the Gospel of Jesus Christ "through evil report and good report" to be held up to ridicule in the school room?

Glendale has grown in the last ten years. It is time we outgrew this "small town stuff."

Sincerely yours in Christ,  
REV. JAMES STEPHEN O'NEILL.

Glendale, California,  
April 11, 1919.

Dear Mr. Editor:

Last night at 7:30 I attended the meeting of the Board of Grammar School Trustees of the City of Glendale at the Intermediate School. I was assured by the members of the Board that these meetings were open to the public, and that the matter I laid before the Board would be investigated.

In my eleven years' residence in Glendale nothing has hurt me more keenly. There are nine Catholic children in the Seventh Grade of the Tropic School.

As I told the members of the Board: "I am a native of these United States, but my father came to this country from the south of Ireland, but he was not a 'Bolsheviki,' nor did he nor does his son worship idols."

To reassure the good parents of these nine Catholic children that the matter of their just indignation has been referred to the Board of Trustees for action, I ask you, my dear Mr. Editor, to publish my communication which was read and filed by the Board at their regular meeting last evening. I will assume all responsibility for said publication.

REV. JAMES STEPHEN O'NEILL.

## PATTON TONIGHT

WIDELY KNOWN DIVINE RE-  
CENTLY RETURNED FROM  
FRANCE TO BE HERE

Dr. Carl S. Patton, pastor of the largest Congregational Church in the west, will be the speaker at the Glendale Congregational Church this evening. He is a strong and forceful and thoughtful speaker, always heard with interest and profit. A crowded house should hear him.

The doctor has recently returned from service overseas in France.

"The character of my prayer depends upon my conception of God," such was the statement of Dr. Ryland at the Glendale Congregational Church last evening, speaking to the topic: "The Spirit of Prayer."

God deserves man's highest good and is doing all that can be done for the highest well-being of humanity. All men should pray. Prayer may be a law of psychology, but back of the psychology is God.

One cannot be profoundly interested in another without having an influence on that person's life.

God needs me to help Him to accomplish His noblest purposes. To be of greatest use one must be a man of prayer. We should pray for persons rather than for things.

The speaker emphasized the importance and value of individual prayers, family prayers and church prayers. Dr. Ryland said that every morning he read a portion of scripture, selections from Jowett's "Days of Praise" and "Imitations of Christ" by Thomas A. Kempis.

The special music by Mr. T. S. Caldwell with Mrs. Caldwell at the piano was greatly enjoyed and added much to the interest of the meeting.

Mrs. F. W. Blaikie, who has recently located in Glendale, will sing this evening.

One of the features of the meeting tonight will be the attendance of the young people. The services are growing in interest and attendance. Several out-of-town people were present last night.

## PACIFIC AVENUE P. T. A.

The Pacific Avenue Parent-Teachers' Association held its regular monthly meeting Thursday, April 10, in the school building.

Mrs. J. F. Tatlow, president of the association, presided for the first time during this term and conducted the meeting in a most proficient manner.

After the preliminary business, Mrs. A. S. Chase introduced Mrs. Earl Bryant, who played two beautiful piano selections, being greeted each time with hearty applause.

Miss Hanson, in charge of the domestic science department of the High School, gave a splendid talk on the proper food for young children attending school and helped each mother to solve that daily problem.

The first grade won the cake, being represented by the largest number of parents and friends.

Tea and wafers were served by the hospitality committee, consisting of Mrs. W. E. Halstead, Mrs. M. A. Heasley and Mrs. Minnette Sherman.

## MAGNOLIA MOTHERS MEET

The regular monthly meeting of the Magnolia Mothers' Club was held at the school Thursday afternoon. The general theme of the meeting was "Co-operation Between the Home and the School," and the program included readings from "Birney's Book of Childhood" and one from the American Monthly entitled "Clean Minds and Clean Bodies."

There was also general discussion by members who responded to roll call by telling "One Way in Which I Have Co-operated with the Teacher." A song by little Virginia Adams, "The Owllet," was much enjoyed, and also the talk by Superintendent R. D. White on the topic of the day. At the close of the program light refreshments were served. Nine of the mothers were present and all agreed they had spent a very profitable afternoon.

Officers of the club are Mrs. Ernest Morgan, president; Mrs. Grove Adams, vice-president; Mrs. Sinclair, treasurer, and Mrs. Barclay, secretary.

The club is taking a great interest in the school and municipal playground in connection and has persuaded the Forestry Commission to plant 400 trees there, which will one day form a grove. The club meets every Tuesday to sew and has manufactured in the course of three meetings ten undergarments for French and Belgian refugees.

## SUNLAND

Mr. and Mrs. Harold Murray came up Saturday and spent Sunday with Mrs. Murray's parents, Mr. and Mrs. Lancaster.

Mr. Booth and wife, of Santa Monica, spent Sunday with Mr. Booth's brother in Sunland and attended church in the Tujunga M. E. Church.

Mrs. Bertha Schrank and baby, June Alice, leave Sunday for Rochester, N. Y., to make her home with her late husband's parents.

Miss Cornelia Herron returned home Friday from Palmdale, where she has been visiting her sister, Mrs. H. Cumstock, for the past seven weeks.

Mr. G. Newcomb and wife of San Pedro and Mrs. L. L. Rowley of Glendale were calling on friends in Sunland Saturday.

Mr. Koontz of the Tujunga Terrace tract was in Sunland Tuesday, buying pigs to stock his ranch.

Mrs. Mattie B. Shaw is spending the week in Los Angeles, the guest of friends.

Miss Maud Webb had a slight stroke of paralysis last Thursday, but under the care of Dr. Stickler she is doing nicely and hopes to get over it without any ill effects. It is quite a relief to the people of the Valley to have a resident physician like Dr. Stickler to be on hand when needed.

Mrs. Cushman sold her five-acre lemon grove to Mr. Dillon, who will put up a fine residence on the place. The consideration was \$1,850 per acre. There is great demand for Sunland property even at the high prices asked for land.

Mrs. C. B. Johnson is ill at her home in the Big Tujunga.

The Christian Endeavor Society held a business meeting in the church Tuesday evening. It was voted to arrange to have regular services once a month and try to get speakers from Los Angeles.

Sunday was a busy day in Sunland. The Griffith Film Company took a rain scene which attracted great crowds from all the surrounding country.

Ross Drake is busy completing his lovely bungalow on his ranch. When it is finished it will be one of the finest places in Sunland.

Miss Menita Huse has returned to school in Los Angeles after a ten-day vacation at home.

The firm of Adams and Menillo has dissolved partnership, Mr. Adams keeping the business. He expects to can apricots, peaches, tomatoes and olives.

Mrs. Trueblood of Glendale has been in Sunland caring for her friend, Miss Webb.

Mr. and Mrs. N. D. Huse and Mr. and Mrs. Wilson of Los Angeles were guests in the George Huse home Sunday.

The Intermediate P.-T. A. will  
meet next Monday afternoon at 3:15  
in the library room. Judge Sidney  
N. Reeves of Los Angeles will speak  
and there will be good music.  
Mr. and Mrs. Frank Coffin moved  
Thursday from North Jackson to  
Ethel street. They make the change  
to secure more room as Mr. Coffin's  
parents are to be with him.

The regular practice of St. Mark's  
choir will take place this (Friday)  
evening in Guild Hall, at 8 o'clock.  
A full attendance is requested as  
Easter music will be practiced.  
Mrs. I. R. Baker and family of  
Rawlins, Wyoming, have come to  
spend the summer in Glendale and  
are the temporary guests of Mrs. Ba-  
ker's mother, Mrs. D. C. Coles.

Miss Minnie Eyre came down from  
Alameda last week to be with her  
sister, Mrs. Reginald E. Whitaker,  
and hopes to remain in the south  
for some time. She has been spend-  
ing several days in Glendale.

Mrs. Mary M. Barclay, principal of  
the Magnolia School, is resigning her  
position to go with her husband to  
Africa. A substitute teacher will be  
appointed to complete the year's  
work there.

The Glendale Wednesday Club will  
hold its next regular meeting two  
weeks from next Wednesday at the  
home of Mrs. Herbert A. Reed of  
Long Beach. It will be a celebration  
of the birthdays of several of the  
members.

Geo. F. Daugherty and wife  
of 219 North Adams, who have  
been down with the flu for  
several weeks, are rejoicing at being  
at last freed from duance vile. Mr.  
Daugherty was out over town this  
morning gazing on familiar sights.

Mrs. A. D. Cross of Pioneer Drive,  
her guest Mrs. Guthrie, her sister  
Mrs. I. R. Baker of Rawlins, Wyo.,  
who is now visiting in Glendale, Mrs.  
A. T. Montgomery, were guests yes-  
terday at a small bridge party given  
by Mrs. L. B. Stanton of St. Charles  
Road, Los Angeles. Mrs. Stanton  
and Mrs. Montgomery are cousins.

Mr. and Mrs. Jesse Joseph who re-  
turned to Glendale about a week ago  
have taken temporarily the Dr. Wil-  
liams house at 1000 North Brand  
boulevard, and are trying to make  
up their minds where they want to  
locate and build a home. They are  
considering several sites, and are  
sure they prefer Glendale to Holly-  
wood, where they at one time thought  
of buying a place.

Mr. and Mrs. E. H. Willisford will  
entertain at dinner this evening, Dr.  
and Mrs. Carl Patton. Dr. Patton  
is to be the speaker tonight in the  
series of pre-Easter meetings which  
are being held in the Congregational  
Church. He and Mr. Willisford  
were together for six weeks in a hut  
on one of the western fronts in  
France and became very good friends  
who are glad to renew their intimacy.

**OWN YOUR OWN HOME CAM-  
PAIGN**  
"Own your own home" campaigns  
have been, or are about to be inau-  
gurated in eighteen cities in the United  
States, but the credit of inaugurating  
the first state-wide campaign be-  
long to Indiana. Plans for the In-  
diana campaign have been under con-  
sideration for some time and are now  
well developed. The Indiana state  
chamber of commerce is sponsor for  
it.

A state-wide committee has been  
formed, consisting of one man from  
each line of business whether direct-  
ly or indirectly interested in the  
"own a home" movement. Co-opera-  
tion of thirty-one organizations has  
been enlisted and efforts are being  
made to interest others. Four sub-  
committees are studying the prob-  
lems of finance, survey, city planning  
and advertising. It is proposed to  
use \$150,000 worth of space in the  
newspapers and conduct a general  
publicity department for the dissemi-  
nation of news stories, preparation  
of posters, window displays, speak-  
ers' bureaus and traveling exhibits.

If the Indiana campaign were du-  
plicated in every state in the Union the  
"own your own home" campaign  
would assume tremendous propor-  
tions and its benefits would be incal-  
culable. It would not only give a  
great impetus to building operations  
but it would also be a potent factor  
in stabilizing and clarifying economic  
conditions. Home owning contrib-  
utes to thrift and thrift is the great-  
est barrier to industrial unrest.

California is a great home owning  
state. This is particularly true of  
Southern California. But we should  
not rest on accomplishments and re-  
cords. California must join the pro-  
cession. Los Angeles is the logical  
place to start a new state-wide "own  
your own home campaign." It is not  
so important who or what organiza-  
tion starts it. Immediate action is a  
thing most desired.—Southwest

**A VERY PLEASANT AFFAIR**  
A very pleasant affair took place  
at the home of Mr. and Mrs. Walter  
W. Jones, 430 West Vine street, Sat-  
urday evening, in celebration of the  
tenth anniversary of their marriage.  
Decorations in keeping with the  
Easter season embellished the inter-  
ior of the spacious home.

Singing of popular songs and dan-  
cing helped to enliven the evening. At  
a late hour a tempting repast was  
bountifully served to the following  
guests: Mr. and Mrs. J. R. Ramsey,  
Mr. and Mrs. S. W. O'Bryan, Mr. and  
Mrs. D. D. Davies, Mr. and Mrs. J.

Mr. Edward Ryan, Sergeant Frank  
W. Northcott of Ontario, Cal., and  
Mr. S. B. St. John of Chicago.  
Useful gifts of tin and aluminum  
were left behind by the guests.

**GOVERNMENT ADVERTISES FOR**  
**15,000 MEN TO ENLIST IN AVIA-**  
**TION SERVICE—FLYERS**  
**WANTED**

"Authority has just been granted  
by the General Staff of the Army for  
the enlistment of about 15,000 men  
into the Air Service. This presents  
an unusual opportunity for those who  
desire to become identified with what  
is probably the most talked of and  
fascinating branch of Military Ser-  
vice; and it is a foregone conclusion  
that the quota will soon be filled. En-  
listment is for one or three year pe-  
riods, the former being for those who  
have special aptitude in one or more  
of the trades listed below, and the  
other for those who must be trained  
in a Government School to properly  
equip them for the work.

The Air Service has a mechanical  
instruction school in operation at the  
present time and is about to estab-  
lish others.  
The apparent disparity between  
pay of civilians and pay of enlisted  
men in the Army, at the first glance  
seems to be in favor of the civilian,  
whereas, as a matter of fact, if the  
question were analyzed closely, the  
average pay of the enlisted man com-  
pares very favorably with that of the  
civilian.

The Air Service offers liberal al-  
lowances of furloughs in times of  
peace, medical and dental attention,  
excellent chances to travel, physical  
training, retired pay after 30 years'  
service, clothing, board and lodging.  
The following are the rates of pay  
in the Army: Private, \$30; Private,  
first-class, \$33; Corporal, \$36; Ser-  
geant, \$44; Sergeant, Aviation  
Mechanician, \$66; Sergeant, first-  
class, \$51; Sergeant, first-class, Avia-  
tion Mechanician, \$76.50; Master Sig-  
nal Electrician, \$81; Master Signal  
Electrician, Aviation Mechanician,  
\$121.50.

The chances of advancement in the  
Air Service are excellent. For apti-  
tude, attentiveness, willingness and  
ability, a man may be promoted to  
the grade of non-commissioned offi-  
cer. The following table shows the  
number of non-commissioned grades  
that are available in each aero squad-  
ron, and to which men enlisting in  
the Air Service may be promoted:  
4 Master Signal Electricians, 29 Ser-  
geants, first-class, 33 Sergeants, 48  
Corporals, 12 Privates, first-class,  
and 24 Privates.  
The following tradesmen are de-  
sired: Radio mechanical workers,  
wireless telegraph and telephone  
men, radio electricians, airplane me-  
chanics, aero motor mechanics, pro-

#### TRUSTEES' MEETING

(Continued from Page 1)

by a tax bill for the year 1918 covering lot 24, block 1, Ayers Tract, assessed to Robert L. Milligan. The communication stated that Mr. Milligan claims exemption on account of services in the Civil War and had filed recently the required affidavit in connection with this claim. On motion of Trustee Muhleman, the application for exemption was granted.

A communication was read from Mrs. Ella I. Bradley and eighteen other residents and property holders on Oak Street between Pacific Avenue and Cherry Street. The communication called attention to the condition of vacant lots and parkways in that section, requesting that the street department give that part of the city more attention; also that conditions are not only unsightly, but dangerous. On motion of Trustee Henry, the matter was referred to the city manager.

A petition was presented signed by Charles Casselman and twenty-five other owners of property fronting on West Elk Avenue, between Central Avenue and San Fernando Road, asking that the board start proceedings for the improvement of said street, including curbs and paving of roadway as provided in Specifications No. 21. City manager stated that while the petition did not represent the majority of the frontage in the district, it was signed by practically all of the residents of the street proposed to be improved. On motion of Trustee Jackson, the request of the petitioners was granted and it was ordered that proceedings be initiated for the improvement as desired.

On motion of Trustee Henry, it was ordered that proceedings be started for the improvement of Garfield Avenue between Brand Boulevard and Glendale Avenue, under specifications No. 21.

In regard to the application of the Los Angeles and Oxnard Daily Express for permission to operate motor trucks over the streets of the city of Glendale, on motion of Trustee Muhleman it was ordered that a hearing be set for this case on April 24, 1919, at 8 p. m., in the City Hall.

At this time it was ordered that bids be opened, read and publicly declared for supplies of public service department, in accordance with advertisement therefor. The following bids were opened, read and publicly declared:

Thirty 40-foot poles, ten 45-foot poles, 1 55-foot pole, delivered f. o. b. cars, Glendale, for the sum of \$796. Received from the Fox-Woodsum Lumber Co.

Thirty 8-inch top 40-foot red cedar

poles, ten 8-inch top 45-foot red cedar poles; one 8-inch top 55-foot red cedar pole, delivered by truck to the city of Glendale for the sum of \$825.40. Received from the L. W. Blinn Lumber Co.

On motion of Trustee Muhleman, bids were referred to the engineer of the public service department to report. Later, the engineer of the public service department recommended the acceptance of the lowest bid, being that of the Fox-Woodsum Lumber Co. On motion of Trustee Muhleman, recommendation was adopted by the board and it was ordered that the contract be entered into in accordance with the same.

Report of tax collector was presented, showing collections for the past week amounting to \$62,177.63, making a total to date of \$3,177.63. Report ordered to be filed.

The city clerk reported having received from the Southern California Edison Co. a statement of gross receipts of that company for the year ending February 28, 1919, total of which was shown to be \$16,527.10 in the territory covered by the franchise granted to that company by ordinance No. 56 of the city of Tropic. In accordance with the terms of the franchise 2 per cent of this amount, namely \$328.54, has been turned over to the city treasurer.

The city manager recommended that the city engineer be instructed to prepare a grade for the Sycamore Canyon Road. Referred to the committee of the whole.

City manager reported in regard to petition presented to this board by residents of Oak street that he had looked over the situation and finds that considerable work had been done by the city in cleaning up this street, which is in as good a condition as any other dirt road in the city.

City manager recommended transfer of the sum of \$500.00 from the Sycamore Canyon Road opening and widening fund to the General Service Fund. The transfer was ordered to be made on motion of Trustee Henry.

City manager stated that the traffic officer was in need of a new motorcycle and that the best terms offered for supplying the same in exchange for the present one used, was the bid of the Pacific Motor Supply Company, who offered a 1919 Model Big Valve Indian Powerplus motorcycle, fully equipped, at the total price of \$480.00, allowing the sum of \$200.00 for the old motorcycle, making a total net price to the city of \$280.00. On motion of Trustee Muhleman, it was ordered that this offer be accepted.

City attorney reported that he had drawn up an amendment of the license ordinance covering laundry,

laundry delivery and collections, which in his opinion would stand the test of the courts." On motion of Trustee Henry, city attorney was directed to draw the amendment as recommended by him of the license ordinance.

Communication was read from the city attorney calling attention to the fact that final judgment had not been entered in the following opening and widening proceedings:

1st. Opening and widening, of Seventh street.

2nd. Opening and widening of Orange Grove avenue.

3rd. Opening and widening of Eighth street.

4th. Opening and widening of Adams street.

Communication stated that he had taken these matters up with the city manager and that arrangements had been made to proceed to completion.

City attorney stated that he had had various conferences with the attorney of the Forest Grove Land Company, in regard to pending litigation and the interest of the City of Glendale and other water owners, and the interest of the Land Company in Verdugo Canyon and that the attorney for the Land Company had finally made certain propositions which the city attorney believed practically assures the obtaining by the city of all the rights and privileges which has been attempted to secure. The propositions made by the Land Company will become effective at such time as the city has acquired the money for development work in the Canyon.

An ordinance changing the name of certain streets in the City of Glendale, upon being presented for final reading was, on motion of Trustee Muhleman, adopted as ordinance 346.

An ordinance declaring the intention of the City of Glendale to open Orange street being presented for final reading was, on motion of Trustee Jackson, adopted as ordinance No. 347.

The following communication was presented by the chairman of the board:

April 10, 1919.

To the Board of Trustees:

Gentlemen:—Having served in the capacity of president of the board of trustees for the year just past, and desiring to lay aside for remainder of my term of office, the duties and responsibilities connected with the chairmanship, I tender my resignation as your president, and request that immediate action be taken thereon.

Yours very truly,

(Signed) G. B. WOODBERRY.

Trustee Jackson made a motion which was seconded by Trustee Hen-

ry that Trustee F. L. Muhleman be elected president of the board. The motion was stated by the clerk and adopted, by the following roll call: Ayes—Henry, Jackson, Woodberry. Noes—None. Trustee Muhleman not voting.

Absent—Trustee Shaw. The newly-elected chairman appropriately expressed his appreciation of the honor conferred and paid the highest tribute to the retiring chairman. Trustee Woodberry expressed himself appropriately stating that he had not desired the office in the first place and felt justified in asking to be relieved of further responsibilities. Trustee Muhleman presented his resignation as member of the Public Works Committee and Other Supplies Committee, which was accepted, and the chairman appointing Trustee Woodberry as member of these committees. Adjourned.

#### LA CANADA

The La Canada Thursday Club was entertained April 10th by Mrs. C. B. Anderson of Eagle Rock. The principal item on the program was a debate on the question: "Shall the Best in German Art, Literature and Music Be Preserved and Used in Our Educational System?" Mrs. C. F. Pate presented the affirmative side, Mrs. R. B. Waterman the negative. Preceding the debate were vocal selections: (a) "The Spring Has Come" and (b) "Cradle Song" (Kate Vannah), by Mrs. W. F. Holden. Choice phonograph records were also enjoyed. Delicious refreshments were served by the hostess assisted by Miss Brecht. The following ladies enjoyed Mrs. Anderson's hospitality: Mesdames Horn, Brecht, Holden, McComber, Nyby, McDonald, Pate, Stultz, Seright, Waterman, Scheffelin, Selleck, Metcalf, Maynard, Busie, Oliver, Metzger and Miller. The club donated \$3.00 to reconstruction work in France.

Miss Jennie Tuttle and Miss Burnbrier, who have been tenants in the Waterman house for several months, left Thursday for their home in Columbus, Ohio.

The friends of Mrs. J. W. Seright are pleased to see her out again after the severe attack of the influenza she has recently experienced.

Mrs. Hansen of Berkeley is a guest in the home of her daughter, Mrs. Nyby, and will be with her for some time.

Mrs. Boyer, who has been the guest of Mrs. Schifflin of Palm avenue for the past week, has returned to her home in El Monte.

Ralph Sorin, who went from here into service, has been discharged from the navy and returned to his home last Monday.

Howard Stickney, who is in the U. S. Navy, has gone on the "Gridley," the new boat just launched, as yeoman for the engineers. The "Gridley" is bound for the Atlantic coast via the Panama Canal.

Mr. Guderian, Mr. and Mrs. Oscar Hilliard, and Miss Henderson, who are now living at Rosemond in the Antelope Valley, motored up and visited friends here last Sunday. Mr. Guderian was postmaster in La Canada for about twenty-five years and has many friends in the valley of long standing.

Ralph Cornwell, who was discharged from army service not long ago, is now back with his father in the dairy business.

Chaffee Earl while riding horseback Monday was thrown from the horse and for a time appeared to be quite badly hurt though no bones were broken, but his condition now is much improved.

P. T. Mason of the Mason Block at Fourth and Broadway, Los Angeles, has just completed a garage on property he owns here and is occupying it temporarily until he builds a home. He suffers from asthma and finds it beneficial to retreat to La Canada occasionally.

Mrs. Penfield has just completed the remodeling of her home, which makes quite an improvement in her neighborhood.

H. E. White is building a new garage on his home place.

Through the efforts of Mr. Phillips, of the Improvement Association, the attention of members of the Highway Commission was called to the unsafe condition of Michigan avenue between Burr and Hilliards where there are culverts and where a few weeks ago an elderly man driving a Ford car went over the bank and miraculously escaped without injury, his car going to the bottom without overturning. The Commission has agreed to place guards at both culverts.
